

Racing Tickets

The Sonoma County Fair has two types of box seats—

LOWER box seats, which are those folding chairs down by the rail. Lower Boxes are either 8 seats or 6 seats at a cost of \$175 per seat. A six-seat lower box costs \$1,050. An eight-seat lower box costs \$1,400.

UPPER box seats, which are the stadium chairs up in the grandstand in sections D, E and F, near the finish line. Upper box seats can be purchased in any quantity, at a cost of \$110 per seat.

All box seats are sold as “season” seats—for the entire run of the Fair. Boxholders are given the option of purchasing the same seats every season. Some boxholders have held the same seats for 20 years or more. All box seat tickets include outside gate admission. Boxholders also have the option of purchasing a season parking pass, good for the run of the Fair, for \$55.00.

New Lower Boxholders start out with boxes on the far end of the grandstand—usually down by the racing paddock. As boxes closer to the finish line become available, boxholders are given the option of moving closer. There are a variety of Upper Box Seats available now, in all sections—D, E & F.

RESERVED SEATS are tickets for individual days at the races. These tickets will go on sale through the mail in May. Reserved seats are in sections A, B, C, G, H, I, J, K, M & N. Some seats in the upper rows of D, E & F are also available. Some seats normally reserved as Upper and Lower Box seats will be sold individually as reserved seats in July if they have not been sold as Season Box Seats.

How To Decide What You Want

If you want to sit in the folding chairs near the rail, you want **LOWER BOX SEATS**.

If you want to sit in the rows of stadium seats in the sections above the finish line, you want **UPPER BOX SEATS**.

If you are interested in Box Seats, we will contact you in January or February.

If you want tickets for individual days, rather than the whole season, you want **RESERVED SEATS**. Give us your name & address and we will send you an order form in May.
