

## YOUTH COMPETITIONS

### Instructions to Exhibitors

1. All non-livestock junior classes in this guidebook are limited to residents of Sonoma and Marin counties and to members of 4-H clubs and FFA chapters of Sonoma and Marin counties who may reside elsewhere, except where specified.
2. All entries in the following divisions must have been made, collected, grown, or prepared and entered by exhibitors within one year of the opening date of the fair, except as otherwise noted.
3. All entries must have been made, collected, or prepared by the exhibitor in accordance with the requirements, or recommendations of that project program. Entries that require packaging and labeling, such as food preservation, must be done in accordance with directions and recipes in project manuals and outlines.
4. Preparation of projects for exhibit in the Youth Divisions: the Sonoma County Fair encourages the cooperation of 4-H and FFA exhibitors assisting one another in the preparation and exhibition of their projects. It also recognizes that beginning members of the 4-H and FFA need some help and advice. This can best be accomplished by youngsters working with one another. **(Learn by doing.)**
